Massachusetts Long Term Care Mutual Aid Plan (MassMAP)

Annual Regional Education Workshops

We are looking forward to bringing each region together in their respective areas to improve each individual facility, as well as MassMAP's overall capability to prepare for, respond to and recover from a single facility or regional disaster.

Agenda

MassMAP Overview:

- Provide tools to facilitate improved facility data collection and response.
- Provide a training PowerPoint that providers can use to educate facility staff.

MassMAP Website:

- Demonstration of how facility data is used in disaster planning, response and recovery.
- Discussion of how data will benefit a MassMAP member organization in a disaster.

Emergency Reporting:

- Discussion: Clarify what you should know and why

Incident Command System (ICS):

- Provide a simplistic overview of the ICS
- Review a realistic scenario to assist facilities in implementing the ICS

Recent Disasters:

- Review of recent disasters and lessons learned.
- Presentation of additional tools supporting internal implementation.

Space is limited, so registrations will be accepted on a first-come basis by session. Every MassMAP member should have, at minimum, one person attend from their facility.

3 CEUs will be available for **Administrators** and **Nurses** in Massachusetts. *All will receive certificate of attendance.*

Please see enclosed list of dates, times and locations for these Regional Workshops and indicate which session you will be attending.

Completed registrations should be faxed (617) 558-3546 or emailed to the attention of Denise DeSimone at ddesimone@maseniorcare.org.
